PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by STANDARD TYPE METALS CORP. in the amount of \$1,662.12 based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are

a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

An officer of the claimant corporation has certified that the claimant was organized in the state of New York and that all times between 1932 and presentation of this claim on June 8, 1965, more than 50% of the outstanding capital stock of the claimant has been owned by United States nationals. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

Claimant states that none of its four stockholders were residents of foreign countries and assumed to be citizens of those countries.

The record contains a copy of claimant's invoice No. 1799 of October 20, 1959 reflecting the sale to Periodico Combate of Havana, Cuba, of goods totalling \$349.14, as to which freight, shipping and other attendant fees increased the total to \$389.68; and a copy of its invoice No. 1798 of October 20, 1959 reflecting the sale to Seminario Verde Olivo of Cuba, of goods totalling \$690.00 and as to which freight, shipping and other fees increased the total to \$764.74; and a copy of its invoice No. 234 of February 26, 1959, reflecting the sale to Editorial Manana, S.A. of Havana, Cuba of goods totalling \$435.00, as to which freight, shipping and other attendant fees increased the total to \$507.70. Claimant states that it has not received the funds.

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded not only transfers of funds to creditors abroad, but also payment to creditors within Cuba, by numerous, unreasonable and costly demands upon the consignees, who were thus deterred from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See the Claim of The Schwarzenbach Huber Company, FCSC Claim No. CU-0019; and the Claim of Etna Pozzolana Corporation, FCSC Claim No. CU-0049).

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on September 29, 1959 as to \$507.70; and on October 25, 1959 as to \$1,154.42 the date the payment became due.

The Commission has decided that in payment of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be allowed at the rate of 6% per annum from the date of loss to the date of settlement (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644).

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the dates on which the loss occurred, to the date on which provisions are made for the settlement thereof.

#### CERTIFICATION OF LOSS

The Commission certifies that STANDARD TYPE METALS CORP. suffered a loss, as a result of actions of the Government of Cuba, within the scope

of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of One Thousand Six Hundred Sixty-Two Dollars and Twelve Cents (\$1,662.12) with interest thereon at 6% per annum from the respective dates of loss to the date of settlement.
